

Festive Fresh Fabulous

We invite you to enjoy this premium dark chocolate bar while you spend just a few minutes with the enclosed brochure.

As the pages unfold you will discover a beautiful selection of holiday gift baskets in a tempting assortment of items, combinations and prices. Each basket is hand assembled in our local distribution center.

We feature premium fresh fruits and gourmet food items from the best possible local and global sources. For example, the Mary's Pride® Apples in our baskets come from family owned orchards in the Yakima Valley and the tasty chocolate bar is crafted by a local chocolatier.

For the coming holidays, Quality Gift Pack would love to help you say "Season's Greetings" to your valued customers, prospects, clients and employees. When you give the gift of a fresh holiday basket you will be remembered and appreciated well into the New Year.

Please call "Marie" at 503-281-3600. She will be happy to answer your questions and expedite your order.
